Revision Guide to A Level Economics G. Riley 1995-12-01

Four Kings George Kimball 2011-07-15 By the late 1970s, boxing had lapsed into a moribund state and interest in it was on the wane. In 1980, however, the sport was resuscitated by a riveting series of bouts involving an improbably dissimilar quartet: Sugar Ray Leonard, Marvelous Marvin Hagler, Thomas Hearns and Roberto Duran. The 'Four Kings of the Ring' would fight one another nine times throughout the decade and win sixteen world titles between them. Like Ali and Frazier, Dempsey and Tunney, Robinson and LaMotta, these four boxers brought out the best in each other, producing unprecedented multi-million-dollar gates along the way. Each of the nine bouts between the four men was memorable in its own way and at least two of them - Leonard-Hearns I in 1981 and Hagler-Hearns in 1985 - are commonly included on any list of the greatest fights of all time. The controversial outcome of another - the 1987 Leonard-Hagler fight - remains the subject of heated debates amongst fans to this day. Leonard, Hagler, Hearns and Duran didn't set out to save boxing from itself in the post-Ali era, but somehow they managed to do so. In Four Kings, award-winning journalist George Kimball documents the remarkable effect they had on the sport and argues that we will never see their likes again.
