Something's invading the stories of our childhood, leaving death and oblivion in its wake. Now, a motley crew of animal heroes from ancient Indian fables must unite to survive. But first they must find the boy destined to save them, the chosen guardian of the Panchatantra. Thing is; he has no idea they even exist. Vishnu Sharma, would-be boy hero, is too busy playing in online tournaments to care about fighting storybook wars. But when a none-too-fictional talking lion, monkey and bull arrive at his doorstep, Vishnu must choose between protecting the tales of the Panchatantra, or silently standing by as they disappear into storybook history. With naughty boy wizards, cuddly anime-sociopaths, and a not-so-frightful King of the Jungle.

The Religion of Man Rabindranath Tagore 2015-09-21 The divine principle of unity has ever been that of an inner inter-relationship. This is revealed in some of its earliest stages in the evolution of multicellular life on this planet. The most perfect inward expression has been attained by man in his own body. But what is most important of all is the fact that man has also attained its realization in a more subtle body outside his physical system. He misses himself when isolated; he finds his own larger and truer self in his wide human relationship. His multicellular body is born and it dies; his multi-personal humanity is immortal. In this ideal of unity he realizes the eternal in his life and the boundless in his love. The unity becomes not a mere subjective idea, but an energizing truth. Whatever name may be given to it, and whatever form it symbolizes, the consciousness of this unity is spiritual, and our effort to be true to it is our religion. It ever waits to be revealed in our history in a more and more perfect illumination. We have our eyes, which relate to us the vision of the physical universe. We have also an inner faculty of our own which helps us to find our relationship with the supreme self of man, the universe of personality. This faculty is our luminous imagination, which in its higher stage is special to man. It offers us that vision of wholeness which for the biological necessity of physical survival is superfluous; its purpose is to arouse in us the sense of perfection which is our true sense of immortality. For perfection dwells ideally in Man the Eternal, inspiring love for this ideal in the individual, urging him more and more to realize it. This classic is organized as follows: I. Man's Universe II. The Creative Spirit III. The Surplus in Man IV. Spiritual Union V. The Prophet VI. The Vision VII. The Man of My Heart VIII. The Music Maker IX. The Artist X. Man's Nature XII. The Teacher XIII. Spiritual Freedom XIV. The Four Stages of Life XV. Conclusion

With sensational disclosures about cases that run parallel to Narendra Modi and Amit Shah's ascent to power and their journey from Gujarat to New Delhi, the book tells you the hushed truth of the state in the words of those who developed amnesia while speaking before commissions of enquiry, but held nothing back in the secretly taped videos which form the basis of this remarkable read.

Chetan Bhagat's delicious romantic comedy takes us inside the world of the international call center, where cultural cross-wires come together with perfect pathos, hilarity, and spice.
