The Last Legend J. B. Wichterich 2014-05 A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess MARRISA would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of MARRISA's dearest friends. Overtaken by MARRISA's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on MARRISA's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When MARRISA is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue MARRISA. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...

Illustrated throughout and covering anything from country of origin, variety of bean and growing and harvesting techniques to roasting methods, brewing equipment, tasting notes - as well as the many different coffee-based drinks - The Coffee Dictionary is the final word on coffee.

The Coffee Can Baking Book Allen Bornstein 2015-12-23 Baking in coffee cans goes back to the early 1900 's, when people didn ' t necessarily have all the fancy pots and pans that we have today. They used whatever they had and since coffee came in cans that held a pound of coffee, it was handy to use them for baking and for cooking. Today, there are still some recipes that are traditionally baked in cans. This book was written to help people explore the fun of baking things the old fashioned way - in coffee cans. To help get you started, the book contains 50 recipes for cakes, quick breads and yeast breads that you can bake in the cans. The recipes combine both traditional coffee can recipes and modern recipes that have been re-imagined for this exciting and fun baking style. Most of the recipes are not complicated and do not require special equipment. The book explains what cans you can or should not use. It also describes how to prepare the cans and what ingredients are used in the preparation of the recipes. It gives a source for buying the cans with the book or separately. Many of the recipes use similar methods of preparation to keep things simple. These recipes can also be baked in standard baking pans with an adjustment to baking times. Sometimes what ' s old is new. If you love baking, you will love The Coffee Can Baking Book.

Remembering Joy Jenni Moen 2013-06-13 One mistake can shatter dreams and shape the future. Alexis knows this first hand. Even though her memory of that day is hazy, she has spent the last ten years trying to put it behind her. Armed with the knowledge that her career will be her only legacy, Alexis works night and day to prove that she is more than just her last name. It's not only that she doesn't have time for love. She doesn't have the heart for it. After all, there's no point in starting something you can't finish. When she meets Adam, she's drawn to him in a way even she can't deny. The film student is dark and brooding and strangely charming. He's the perfect distraction from her mundane life. And, as if fate is pushing them together, he seems to be around every corner. It's enough to almost make her entirely forget about her past and take a chance. But Adam can recall every detail that she's forgotten. What she doesn't remember, he can't forget.

Echoes in the Storm Max Henry 2017-09-12 One week is all we were supposed to share. One week as strangers. All the things you did differently irked me. I thought it meant we couldn't get along, that there was no chance we'd work out. But when it came time for me to leave, you know what I figured out? You were my echo. My call back. And damn it if I didn't find home in the end.

Navigating a Sea of Emotions Kristin Hanley 2017-01-19 When the world says, "Let your emotions lead you," we as Christ-followers must find a different course, navigating through the minor whirlpools, unpredictable winds, and sometimes ferocious hurricanes. Christ's words and actions guide our ships into deeper waters and beyond to the other shore. This book explores scriptural anchoring points, personality influence, and past experiences to give us a new vision of the weighted tension

between letting loose with our feelings or cinching up and ignoring them altogether. As human beings, we are created with emotional dimension, and within Christ, we are called to surrender these feelings, using them in a healthy and biblical way.

**The Marley Coffee Cookbook** Rohan Marley 2017-08-15 **The Marley Coffee Cookbook** sings the praises of coffee-infused cuisine Rohan Marley kicks off each chapter of **The Marley Coffee Cookbook**, offering anecdotes about growing up as the son of legendary musician Bob Marley, who to this day is revered by music lovers young and old. Many chapter names reference Bob Marley's music, and a chapter of vegetarian recipes starts like this: "One Love is one of my father's biggest songs, and I wanted the coffee that I named One Love not just to be a standout single origin coffee, but to really resonate with people." Chef Maxcel Hardy's flawless recipes and expert guidance on the best way to infuse a dish with coffee flavor make this book a very special addition to any cookbook collection. From the vantage point of a chef, Hardy speaks to the importance of choosing a particular coffee to harmonize with certain foods, and he shows how easy it is to use coffee in a way that it brings out the best in everything from savory dishes to sweet treats. There's a strong coffee connection for each dish, whether it is infused with a mocha theme or it rocks an espresso flavor. These are dishes you're unlikely to find in many other places: sweet potato waffles with a pecan coffee syrup, grilled salmon with a coffee, maple, and ginger glaze, fried plantains with coffee sugar, coffee spice blend-marinated lamb ribs with guava BBQ sauce are just some examples of Hardy's imaginative recipes.

**The Art and Craft of Coffee** Kevin Sinnott 2011-01-19 "In the decades that Kevin Sinnott has spent meeting with and interviewing hundreds of coffee professionals, rather than crossing over to the dark side and becoming one himself, he has taken what he has learned and translated it from coffee geek-speak into English. Why? For the sole purpose of allowing you to better enjoy your coffee. In short, if you like coffee, you will love this book." —Oren Bloostein, proprietor of Oren's Daily Roast There is no other beverage that gives you a better way to travel the world than coffee. You can literally taste the volcanic lava from Sumatra, smell the spice fields of India, and lift your spirits to the Colombian mountaintops in your morning cup of joe. **The Art and Craft of Coffee** shows you how to get the most out of your coffee, from fresh-roasted bean to hand-crafted brew. In **The Art and Craft of Coffee**, Kevin Sinnott, the coffee world's most ardent consumer advocate, educates, inspires, and caffeinates you. Inside you will find: Delicious recipes for dozens of coffee and espresso beverages

Midas A. H. Zacarias 2017-03-24 Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.

**Remember Who You Truly Are** Sally Jane Francis 2016-04-27 This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in whatever way you wish to connect with it. Bursting with information and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wide an audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"

**Coffee** Robert W. Thurston 2013-10-10 **Coffee: A Comprehensive Guide to the Bean, the Beverage, and the Industry** offers a definitive guide to the many rich dimensions of the bean and the beverage around the world. Leading experts from business and academia consider coffee's history, global spread, cultivation, preparation, marketing, and the environmental and social issues surrounding it today. They discuss, for example, the impact of globalization; the many definitions of organic, direct trade, and fair trade; the health of female farmers; the relationships among shade, birds, and coffee; roasting as an art and a science; and where profits are made in the commodity chain. Drawing on interviews and the lives of people working in the business—from pickers and roasters to coffee bar owners and consumers—this book brings a compelling human side to the story. The authors avoid romanticizing or demonizing any group in the business. They consider basic but widely misunderstood issues such as who adds value to the bean, the constraints of peasant life, and the impact of climate change. Moving beyond simple answers, they represent various participants in the supply chain and a range of opinions about problems and suggested solutions in the industry. Coffee offers a multidimensional examination of a deceptively everyday but extremely complex commodity that remains at the center of many millions of lives. Tracing coffee's journey from field to cup, this handbook to one of the world's favorite beverages is an essential guide for professionals, coffee lovers, and students alike. **This Thing Between Us** Holly C. Webb 2017-08 Parker O'Neill is a man with the world at his feet. Son of the CEO of O'Neill's International, he is ready to take over as head of the company, once his father retires in six months' time. However, Parker has earned himself the ultimate playoff reputation, and not everyone thinks he is ready to take control of the company that he was groomed for all his life. Given an ultimatum that he has to settle down if he wants to take over from his father; Parker decided the only way to solve his problem, is to pay someone to play the part of his dutiful wife. Alice Whitman is a hard working girl, with a kind heart. Raised by her grandmother

after losing her parents, she knows what its like to lose everything. Sophia, Alice's grandmother, is getting older and growing weaker by the day. Alice is the only one Sophia has, so it falls to her to do whatever it takes to help her beloved Gram. When Parker makes Alice an offer he thinks she can't refuse, he is stunned to find that money doesn't always mean you get your own way. However, Alice soon realises Parker might be the one person that can help her when she needs it most. Can they make their arrangement work without anyone finding out the truth, or will this thing between them turn into something neither of them expected it to be?

Always Wear Headphones Stephen Blackwell 2017-08-26 Note: 50% of the proceeds from this book will be donated to a mental health organization focused on helping anxiety, depression, and suicide.\* Hey YOU! Yes... you... the (really cool) person reading the back summary of this book. How are you? Having a good day? Since you are reading the back cover of this book I'm guessing that you're curious what the heck it's about. Right? Well, let me tell you, this ain't no children's book. Full of love, sex, anxiety, and depression this book will chew you up and spit you back out before chapter 4. The story begins with me, sitting in a cafe with my girlfriend of three months. Overcome by love, I (stupidly) decide to proclaim my love for her in the middle of a coffee shop. "I love you. And I know that one day I'm supposed to marry you." Man... do I regret that moment - / I wish I could tell you that the awkwardness stops there but that would be a bold faced lie. If I was in marketing (I'm not) I would say something like... "From navigating online dating apps and relationships, to self-centered friends, and emotionally abusive alcoholics, James (that's me!) constantly feels like he's at the bottom of the social food chain. His only comfort is his love for music, which displays itself in the form of original lyrics throughout the book. One crazy day, James runs into Nikki, a bold, spit-fire, do-things-her-own-way type of person who changes his world-view forever." Well... If you made it down here I'd say this book is for you. If you didn't, oh well. #YOURLOSSBUDDY. Thanks for all the memories, James Merlot (The Protagonist of this story) \*Donation will be made once a year in December. See www.alwayswearheadphones.com for more details.

Before the Coffee Gets Cold Toshikazu Kawaguchi 2020-11-17 \*OVER ONE MILLION COPIES SOLD\* \*NOW AN INTERNATIONAL BESTSELLER\* If you could go back, who would you want to meet? In a small back alley of Tokyo, there is a café that has been serving carefully brewed coffee for more than one hundred years. Local legend says that this shop offers something else besides coffee—the chance to travel back in time. Over the course of one summer, four customers visit the café in the hopes of making that journey. But time travel isn't so simple, and there are rules that must be followed. Most important, the trip can last only as long as it takes for the coffee to get cold. Heartwarming, wistful, mysterious and delightfully quirky, Toshikazu Kawaguchi's internationally bestselling novel explores the age-old question: What would you change if you could travel back in time?

The Craft and Science of Coffee Britta Folmer 2016-12-16 The Craft and Science of Coffee follows the coffee plant from its origins in East Africa to its current role as a global product that influences millions of lives through sustainable development, economics, and consumer desire. For most, coffee is a beloved beverage. However, for some it is also an object of scientific study, and for others it is approached as a craft, both building on skills and experience. By combining the research and insights of the scientific community and expertise of the crafts people, this unique book brings readers into a sustained and inclusive conversation, one where academic and industrial thought leaders, coffee farmers, and baristas are quoted, each informing and enriching each other. This unusual approach guides the reader on a journey from coffee farmer to roaster, market analyst to barista, in a style that is both rigorous and experience based, universally relevant and personally engaging. From on-farming processes to consumer benefits, the reader is given a deeper appreciation and understanding of coffee's complexity and is invited to form their own educated opinions on the ever changing situation, including potential routes to further shape the coffee future in a responsible manner. Presents a novel synthesis of coffee research and real-world experience that aids understanding, appreciation, and potential action. Includes contributions from a multitude of experts who address complex subjects with a

conversational approach. Provides expert discourse on the coffee value chain, from agricultural and production practices, sustainability, post-harvest processing, and quality aspects to the economic analysis of the consumer value proposition. Engages with the key challenges of future coffee production and potential solutions.

How to Make Coffee Lani Kingston 2015-03-02 How to Make Coffee explores the scientific principles behind the art of coffee making, along with step-by-step instructions of all the major methods, and which beans, roast, and grind are best for them. This book also covers topics such as: The history of the bean Chemical composition Caffeine and decaf Milk Roasting and grinding Machines and gadgets . . . and many more Caffeine is the most widely consumed mind-altering molecule in the world; we cannot get enough of it. How is it that coffee has such a hold? Its all in the chemistry; the molecular structure of caffeine and the flavour-making phenols and fats that can be lured out from the bean by roasting, grinding and brewing. Making good coffee depends on understanding the science: why water has to be at a certain temperature, how roast affects taste, and what happens when you add cream. This book lays out the scientific principles for the coffee-loving non-scientist; stick to these and you will never drink an ordinary cup of joe again.
