Reading Penguin George Donaldson 2013-07-26 Founded by Allen Lane in 1935, Penguin Books soon became the most read publisher in the United Kingdom and was synonymous with the British paperback. Making high quality reading cheaply available to millions, Penguin helped democratise reading. In so doing, Penguin played an important part in the cultural and intellectual life of the English speaking world. For this book, which has its origins in the successful international conference held at Bristol University in 2010 to mark 75 years of Penguin Books, recognised scholars from different fields examine various aspects of Penguin's significance and achievement. David Cannadine and Simon Eliot offer wide historical perspectives of Penguin's place and impact. Other scholars, including Alistair McCleery, Kimberley Reynolds, Andrew Sanders, Claire Squires, Susie Harries, Andrew Nash, Tom Boll and William John Lyons examine more particularised subjects. These range from the breaking of the Lady Chatterley ban to the visions of the future contained in Puffin Books; from Penguin Classics to the scholarly and commercial interests in publishers' anniversaries; from the art and architectural histories of Nikolaus Pevsner to the art and design of Penguin covers; and from the translation of poetry to the transcription of the Dead Sea Scrolls. Together the essays depict much of what it was that made Penguin the most important British publishing house of the twentieth century.

The Journey of the Penguin Emiliano Ponzi 2015-10-27 A charming picture book telling the imagined story of a penguin who waddled his way into history as the symbol of a beloved publisher, timed to the 80th anniversary of Penguin Books. In The Journey of the Penguin, award-winning graphic artist Emiliano Ponzi delivers a boldly illustrated, wildly imaginative, and terrifically fun story that brings to life the 'dignified yet flippant' bird that Allen Lane chose as the image of his revolutionary publishing company. This penguin goes on an adventure that takes him on to New York and into the hearts of readers everywhere.

Penguin by Designers Penguin Collectors' Society 2007 In June 2005, to coincide with Penguin Books'

70th anniversary, Derek Birdsall, Jerry Cinamon, Romek Marber, John Miles, David Pelham and Penguin Press's current art director Jim Stoddart, all delivered illustrated talks at the V&A on their work designing for Penguin. The day was chaired by the type designer, teacher and graphic designer, Phil Baines. These talks have been edited and collected into a 184-page B-format paperback, with all 250 of the speakers' slides and book covers reproduced in colour. This original, limited-edition book has been designed by the D&AD award-winner David Pearson.

Penguin 75 Paul Buckley 2010 A unique exploration into the subtle art of the book cover High standards in art and design have always been part of Penguin's publishing program. Now, on the occasion of Penguin's 75th anniversary, longtime art director Paul Buckley has chosen seventy-five covers that represent the best of what Penguin has produced over the course of the last decade. Giving readers a rare behind-the-scenes glimpse into the complex creation of a book's cover, Penguin 75 includes comments from authors, agents, and editors, as well as the designers and artists themselves. This witty and irreverent journey into the book world will appeal to lovers of art, design, and, of course, books. Penguin and the Lane Brothers Stuart Kells 2015-08-26 An intimate partnership of three brothers — Allen, Richard and John Lane — lay at the heart of Penguin Books, the twentieth century's greatest publishing house. In a spirit of daring and creative opposition, the brothers issued quality books on a massive scale and at minuscule prices — and achieved a revolution in publishing. The Lane boys did their best thinking together in bathroom board meetings, where at least one director would always be —mother naked—. They innovated in countless ways — in the early years, a church crypt served as their office and warehouse. Penguin was an unconventional upstart, bringing literary giants such as Agatha Christie, George Bernard Shaw, Virginia Woolf and Graham Greene to vast new audiences, and it seemed unstoppable. Yet the 1942 death of John Lane brought the troika to a halt. Allen, the enthusiastic frontman who relied on his younger brothers to drive Penguin's success, became more erratic and suspicious over time. Ultimately, he would force Richard out of the company he had cofounded and built. A portrait of a remarkable family and a publishing powerhouse, *Penguin and the Lane Brothers* also explores the little known story of Richard Lane — the heart and backbone of Penguin, and its strongest influence. Richard's experiences as a youth in Australia shaped his character and outlook; his dedication to the business was matched only by his devotion to his brothers. Relying on unprecedented access to Lane family sources, including Richard's diaries, *Penguin and the Lane Brothers* sheds new light on the relationship of Allen, Richard and John, so crucial as a driver of Penguin's spirit and success. By turns hilarious and tragic, moving and insightful, this is a groundbreaking counter-history of an unlikely publishing triumph.

The Luck of the Bodkins P.G. Wodehouse 2009-07-15 A P.G. Wodehouse novel Seize this wonderful chance to embark on a Wodehousian voyage on the luxurious liner S.S. Atlantic - in the company of Monty Bodkin, whose passion for Gertrude Butterwick knows no bounds (except those set by the wild-at-heart Hollywood starlet Lotus Blossom and her pet alligator). Also aboard are a movie mogul, the centre-forward for the All-England ladies hockey team and the two Tennyson brothers (one of whom has been mistaken for the late poet laureate and given a fat movie contract...). Also a chatty steward, and a mouse doll in which all manner of things can be hidden. This hilarious comic novel is Wodehouse at full sail - a voyage of pure delight.

Advances in Ergonomics in Design Francisco Rebelo 2021-06-28 This book provides readers with a timely snapshot of ergonomics research and methods applied to the design, development and evaluation, of products, systems and services. It gathers theoretical contributions, case studies and reports on technical interventions focusing on a better understanding of human machine interaction, and user experience for improving product design. The book covers a wide range of established and emerging topics in user-centered design, relating to design for special populations, design education, workplace assessment and design, anthropometry, ergonomics of buildings and urban design, sustainable design, as well as visual ergonomics and interdisciplinary research and practices, among others. Based on the AHFE 2021 International Conference on Ergonomics in Design, held virtually on 25–29 July, 2021, from USA, the book offers a thought-provoking guide for both researchers and practitioners in human-centered design and related fields.

Creative Writing Practice Debra Adelaide 2021-10-09 *Creative Writing Practice: reflections on form*

and process explores the craft of creative writing by illuminating the practices of writers and writer-educators. Demonstrating solutions to problems in different forms and genres, the contributors draw on their professional and personal experiences to examine specific and practical challenges that writers must confront and solve in order to write. This book discusses a range of approaches to writing, such as the early working out of projects, the idea of experimentation, of narrative time, and of failure. With its strong focus on process, *Creative Writing Practice* is a valuable guide for students, scholars and practitioners of creative writing.

How Words Get Good Rebecca Lee 2022-03-17 'A masterpiece' - Daily Mail 'A fascinating and funny look at what really goes into the making of a book' Sunday Times 'Inject this straight into my veins!' Lucy Mangan 'Engaging, informative, and fascinating!' David Bellos, author of *Is That a Fish in Your Ear?* Once upon a time, a writer had an idea. They wrote it down. But what happened next? Join Rebecca Lee, professional word-improver, as she embarks on the fascinating journey to find out how a book gets from author's brain to finished copy. She'll learn the dark arts of ghostwriters, uncover the hidden beauty of typesetting and find out which words end up in books (and why). And along the way, her quest will be punctuated by a litany of little-known considerations that make a big impact: ellipses, indexes, hyphens, esoteric grammar and juicy errata slips. Whoops. Penguin Special Jeremy Lewis 2006-05-04 By founding Penguin books and popularizing the paperback, Allen Lane not only changed publishing in Britain, he was also at the forefront of a social and cultural revolution that saw the masses given access to what had previously been the preserve of a wealthy few. In *Penguin Special* Jeremy Lewis brings this extraordinary era brilliantly to life, recounting how Lane came to launch his Penguins for the price of a packet of cigarettes; how they became enormously influential in alerting the public to the threat of Nazi Germany; and how Penguin itself gradually became a national institution, like the BBC and the NHS, whilst at the same time challenging the status quo through the famous *Lady Chatterley* case. Above all, it is the story of how one often fallible, complex man used his vision to change the world. 'Lewis's book is a triumph ... a rich and humorous history of 20th century reading habits, *Penguin Special* will not be surpassed' MAIL ON SUNDAY 'A word of warning: the enjoyable swiftness of Jeremy Lewis's prose can seduce the reader into going too fast, but savour this book slowly, don't gobble it up. It is so richly stuffed with facts, people, perceptions and atmosphere that you may get indigestion if you do not allow it the time it deserves' Diana Athill, LITERARY REVIEW

The Penguin Book of Japanese Short Stories Jay Rubin 2018-06-28 This fantastically varied and exciting collection celebrates the great Japanese short story, from its modern origins in the nineteenth century to the remarkable works being written today. Anatomy of Design Steven Heller 2009-03-01 **DIV**Anatomy of Design dissects fifty examples of graphic design piece by piece, revealing an array of influences and inspirations. These pieces represent contemporary artifacts that are well conceived, finely crafted, and filled with hidden treasures. Some are overtly complex. Others are so simple that it is hard to believe there's a storehouse of inspiration hidden underneath. The selections include all kinds of design work including posters, packages, and more. Each exhibit is selected for its ubiquity, thematic import, and aesthetic significance, and every page shows how great work is derived from various inspirational and physical sources, some well-known, some unknown./div

Complete Short Stories Graham Greene 2005-02-01 The complete stories of a 20th century master of fiction Affairs, obsessions, ardors, fantasy, myth, legends, dreams, fear, pity, and violence—this magnificent collection of stories illuminates all corners of the human experience. Including four previously uncollected stories, this new complete edition reveals Graham Greene in a range of contrasting moods, sometimes cynical and witty, sometimes searching and philosophical. Each of these forty-nine stories confirms V. S. Pritchett's declaration that Greene is "a master of storytelling." This Penguin Classics edition features an introduction by Pico Iyer. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Country Life Herbert Ernest Bates 1989 "In this selection of notes which made up the pre-war and wartime Country life column in *The Spectator*, H. E. Bates explores, in characteristically unsentimental manner, country life at a time when the great momentum of scientific and technological advances brought about increased knowledge and interest in a safer, more accesible countryside, and when agriculture was seen by him to be an arm of defense during the Second World War. This selection gives us a vivid account of the preoccupations of an English country man at a time of great national upheaval." --Taken from front jacket cover.

Outback Penguin Stuart Kells 2016-03-01 Richard Lane was one of three brothers who founded Penguin Books in 1935. But like all great stories, his life didn't start there. After sailing to Adelaide in 1922, Richard began work as a boy migrant — a farm apprentice living in rural South Australia as part of the "Barwell Boys" scheme. In Australia, he deepened his appreciation for literature, and understood how important it was to make good writing widely accessible. Richard's diaries — the honest and moving words of a teenager, so very far away from home — capture vividly his life and loves; the characters he met; the land he worked; the families he depended on; and his coming of age in a new land. A remarkable social record and one of the best first-hand accounts of the child migrant experience, the diaries also capture the ideas and the entrepreneurship that led to the founding of the twentieth century's most famous publishing house. With a foreword by eminent Australian historian Geoffrey Blainey,

Richard Lane's diaries are an important document for the history of rural Australia and global publishing.

Cover Peter Mendelsund 2014 An original and visually engaging book cover can help make the difference between a flop and a smash, and over the years more than a few designers have taken the creative and mysterious process to levels of supreme beauty and imagination. Peter Mendelsund is that kind of designer and Cover is the story of his love affair with books. Amongst the many recognisable covers he has created are those for the American edition of *The Girl with the Dragon Tattoo* (Vintage); collections of the works of Joyce, Kafka and Dostoevsky; Peter Carey; Martin Amis and more.

Jan Tschichold, Designer Richard B. Doubleday 2006 Shortly after the end of the Second World War, Penguin Books made the bold decision to completely redesign its publications. Examining how Jan Tschichold took on the Herculean task of creating a uniform design, this title surveys the typographic revolution that Tschichold masterminded at Penguin.

Judging a Book by Its Cover Nickianne Moody 2016-12-05 How do books attract their readers? This collection takes a closer look at book covers and their role in promoting sales and shaping readers' responses. *Judging a Book by Its Cover* brings together leading scholars, many with experience in the publishing industry, who examine the marketing of popular fiction across the twentieth century and beyond. Using case studies, and grounding their discussions historically and methodologically, the contributors address key themes in contemporary media, literary, publishing, and business studies related to globalisation, the correlation between text and image, identity politics, and reader reception. Topics include book covers and the internet bookstore; the links between books, the music industry, and film; literary prizes and the selling of books; subcultures and sales of young adult fiction; the cover as a signifier of literary value; and the marketing of ethnicity and lesbian pulp fiction. This exciting collection opens a new field of enquiry for scholars of book history, literature, media and communication studies, marketing, and cultural studies.

Re-Covered Rose Marco Sonzogni 2011 When a reader picks up a book, the essence of the text has been translated into the visual space of the cover. Using Umberto Eco's bestseller *The Name of the Rose* as a case study, this is the first study of book cover design as a form of intersemiotic translation based on the purposeful selection of visual signs to represent verbal signs. As an act of translation, the cover of a book ought to be an 'equivalent representation' of the text. But in the absence of any established interpretive criteria, how can equivalence between the visual and the verbal be determined and interpreted? *Re-Covered Rose* tackles this question in an original and creative way, laying the foundation for a new research trend in Translation Studies. Marco Sonzogni is Senior Lecturer in Italian, School of Languages and Cultures, Victoria University of Wellington, New Zealand. A widely published academic and an award-winning editor, poet and literary translator, he is the Director of the New Zealand Centre for Literary Translation/Te Tumu Whakawhiti Tuhinga.

Postcards from Penguin Penguin 2010-09-15 A collection of 100 postcards, each featuring a different and iconic Penguin book jacket. From classics to crime, here are over seventy years of quintessentially British design in one box. In 1935 Allen Lane stood on a platform at Exeter railway station, looking for a good book for the journey to London. His disappointment at the poor range of paperbacks on offer led him to found Penguin Books. The quality paperback had arrived. Declaring that 'good design is no more expensive than bad', Lane was adamant that his Penguin paperbacks should cost no more than a packet of cigarettes, but that they should always look distinctive. Ever since then, from their original - now world-famous - look featuring three bold horizontal stripes, through many different stylish, inventive and iconic cover designs, Penguin's paperback jackets have been a constantly evolving part of Britain's culture. And whether they're for classics, crime, reference or prize-winning novels, they still follow

Allen Lane's original design mantra. Sometimes, you definitely should judge a book by its cover.

The Last Poets of Imperial Rome Harold Isbell 1971 A collection of Latin verse, translated into English, of the second to the fifth centuries A.D. from all parts of the Roman Empire and beyond: Italy, Spain, Carthage, Gaul, Ireland. There is a wide variety of themes: pastoral, mythological, Christian philosophical, aristocratic life and customs, the sacking of Rome by the Visigoths and regrets at the passing of the Empire. Running through all this is the theme of the fall of Rome, both literally in the destruction of the city, and generally in its gradual decline as cultural and political world centre.

Puffin by Design Phil Baines 2010 Late in 1939 a chance meeting between Penguin founder, Allen Lane, and natural history publisher, Noel Carrington, changed the future of children's publishing with the formation of a series called Puffin Picture Books. The first four titles appeared in 1940 and the series quickly established a reputation for presenting children's non-fiction in a unique blend of editing and design. Puffin Story Books soon followed with the publication of *Worzel Gummidge* in 1941 and, like the original launch of Penguin itself, these story books appeared in the three horizontal stripe design. Looking back at seventy years of Puffin paperbacks, Phil Baines charts the development of Puffin and the role of illustrators and designers in creating and defining the identity of the Puffin list from the very first picture book through to modern day. Rich with stunning cover and inside illustrations, and filled with detail of individual titles, Phil discusses the changes in typography, illustration and printing techniques over Puffin's spectacular 70-year history. An extraordinary and beautiful book, this is a perfect companion to Penguin By Design.

By Its Cover Ned Drew 2005-08-11 We all know we're not supposed to judge books by their covers, but the truth is that we do just that nearly every time we walk into a bookstore or pull a book off a tightly packed shelf. It's really not something we should be ashamed about, for it reinforces something we sincerely believe: design matters. At its best, book cover design is an art that transcends the publisher's commercial imperative to reflect both an author's ideas and contemporary cultural values in a vital, intelligent, and beautiful way. In this groundbreaking and lavishly illustrated history, authors Ned Drew and Paul Sternberger establish American book cover design as a tradition of sophisticated, visual excellence that has put shape to our literary landscape. *By Its Cover* traces the story of the American book cover from its inception as a means of utilitarian protection for the book to its current status as an elaborately produced form of communication art. It is, at once, the intertwined story of American graphic design and American literature, and features the work of such legendary figures as Rockwell Kent, E. McKnight Kauffer, Paul Rand, Alvin Lustig, Rudy deHarak, and Roy Kuhlman along with more recent and contemporary innovators including Push Pin Studios, Chermayeff & Geismar, Karen Goldberg, Chip Kidd, and John Gall.
