The Starry Messenger KENNETH. LONERGAN 2019-05-30 Mark Williams is tired of his marriage and tired of his job teaching astronomy at the Hayden Planetarium in New York City. Angela Vasquez is a young single mother training to be a nurse. Norman Ketterly is fighting for his life in a cancer ward. Their intertwining stories unspool under a canopy of stars too vast to imagine and too beautiful to comprehend, especially when the travails of life on Earth threaten to blot it out. Kenneth Lonergan's play *The Starry Messenger* is a bittersweet exploration of love, hope and the mysteries of the cosmos. It premiered in New York in 2009, and received its UK premiere at Wyndham's Theatre, London, in May 2019, featuring Matthew Broderick and Elizabeth McGovern.

Kenneth Lonergan: Three Plays Kenneth Lonergan 2019-08-15 Described as 'America's greatest living playwright' (Wall Street Journal), Kenneth Lonergan is internationally acclaimed for his trademark humour and his genius for capturing the real heart and soul of human interactions. This volume gathers together three

of his landmark plays. *This Is Our Youth* (1996) is a wildly funny, bittersweet and lacerating look at three days in the lives of three affluent young Manhattanites in the 1980s. Its West End premiere in 2002 was notable for its successive casts of young Hollywood stars, including Casey Affleck, Matt Damon, Jake Gyllenhaal, Anna Paquin and Summer Phoenix. 'A rambunctious and witty play... caustic, cruel, compassionate' *The New York Times*. *The Waverly Gallery* (1999) is a poignant, generous and frequently hilarious play about a feisty grandmother's last battle against Alzheimer's disease. More than a memory play, it captures the humour and strength of a family in the face of crisis. It was a finalist for the 2001 Pulitzer Prize for Drama, and revived on Broadway in 2018 to widespread acclaim. 'Both one of the most beautiful things you'll ever see in a Broadway theatre and one of the most profoundly sad' *Chicago Tribune*. *Lobby Hero* (2001) tells the story of a luckless young security guard trying to get his life together after being thrown out of the navy. But working in a lobby proves to be no sanctuary from the world, as he is unwittingly drawn into a murder investigation. The play received its British premiere at the Donmar Warehouse, London, in 2002, and was also revived on Broadway in 2018. 'Artfully intertwines private and public issues... [Lonergan] has the lightest of touches and writes with deft humour' *Guardian*. Kenneth Lonergan is an American film director, playwright and screenwriter. He wrote and directed the films *You Can Count On Me*, *Margaret* and *Manchester by the Sea*, for which he won the 2017 Academy Award for Best Original Screenplay. This collection, published alongside the UK premiere of Lonergan's *The Starry Messenger* in 2019, also features an exclusive introduction by the author. 'Lonergan's ear for the crosscurrents of love and recrimination, of accusation and confession, is as fine as that of any American dramatist' *Washington Post*

Memory of Water/Five Kinds of Silence Shelagh Stephenson 2014-02-14 *In The Memory of Water* (winner of the 2000 Laurence Olivier Award for Best Comedy), three sisters meet on the eve of their mother's funeral. As the conflicts of the past converge, everyday lies and tensions reveal the particular patterns and strains of family relationships. "'Combines a flair for witty dialogue with a relish for the dynamics of theatre ... a mistress of comic anguish'" *Guardian* *Five Kinds of Silence* (winner of the 1996 Writers' Guild Award for Best Original Radio Play and the 1997 Sony Award for Best Original Drama) is the story of a family in which control has become the driving force, where everything has its place, and where there are only rules, duties and punishments. "An acute and funny writer, Stephenson carves out a welcome territory that is distinctive, contemporary and theatrical" *Independent*

Inside Prime Time Todd Gitlin 2005-08-12 Prime time: those precious few hours every night when the three major television networks garner millions of dollars while tens of millions of Americans tune in. *Inside Prime Time* is a classic study of the workings of the Hollywood television industry, newly available with an updated introduction. *Inside Prime Time* takes us behind the scenes to reveal how prime-time shows get on the air, stay on the air, and are shaped by the political and cultural climate of their times. Remember This Clark Young 2021-11-01 Remembering the lessons of Jan Karski, who risked his life to share the truth with the world Richly illustrated with stills from the black-and-white film adaptation of the acclaimed stage play, Remember This: The Lesson of Jan Karski tells the story of World War II hero, Holocaust witness, and Georgetown University professor Jan Karski. A messenger of truth, Karski risked his life to carry his harrowing reports of the Holocaust from war-torn Poland to the Allied nations and, ultimately, the Oval Office, only to be ignored and disbelieved. Despite the West's unwillingness to act, Karski continued to tell others about the atrocities he saw, and, after a period of silence, would do so for the remainder of his life. This play carries forward his legacy of bearing witness so that future generations might be inspired to follow his example and "shake the conscience of the world." Accompanying the text of the stage play in this volume are essays and conversations from leading diplomats, thinkers, artists, and writers who reckon with Karski's legacy, including Secretary of State Madeleine Albright, Ambassador Stuart Eizenstat, award-winning author Aminatta Forna, best-selling author Azar Nafisi, President Emeritus of Georgetown Leo J. O'Donovan, SJ, Ambassador Samantha Power, Ambassador Cynthia P. Schneider, historian Timothy Snyder, Academy Award™ nominated actor David Strathairn, and best-selling author Deborah Tannen.

The Director as Collaborator Robert Knopf 2017-04-07 The Director as Collaborator teaches essential directing skills while emphasizing how directors and theater productions benefit from collaboration. Good collaboration occurs when the director shares responsibility for the artistic creation with the entire production team, including actors, designers, stage managers, and technical staff. Leadership does not preclude collaboration; in theater, these concepts can and should be complementary. Students will develop their abilities by directing short scenes and plays and by participating in group exercises. Manchester by the Sea Kenneth Lonergan 2021-03-09 The Academy Award-winning screenplay of "a drama of surpassing beauty" (Wall Street Journal) Kenneth Lonergan's Academy Award and BAFTA-winning screenplay for the acclaimed film Manchester by the Sea is a staggering achievement and an emotionally devastating meditation on grief. Lee Chandler is a brooding, irritable loner who works as a handyman in Boston. One damp winter day he gets a call summoning him to his hometown, Manchester-by-the-Sea, the fishing village where his working-class family has lived for generations. His brother's heart has given out suddenly, and he's been named guardian to his riotous 16-year-old nephew. His return re-opens an unspeakable tragedy, as he is forced to confront a past that separated him from his wife, Randi, and the community where he was

born and raised. A sweeping story of loss and new beginnings, *Manchester by the Sea* “illuminates with quiet, unyielding grace how you and I and our neighbors get by, and sometimes how we don’t” (Boston Globe). Rounding out the volume is a trenchant and incisive introduction by Kenneth Lonergan on writing for film.

It enables actors to make more dynamic choices, craft complex characters with rich behavior, and find engaging and powerful levels of performance.**

Lone Star James McLure 1980 *THE STORY*: The play takes place in the cluttered backyard of a small-town Texas bar. Roy, a brawny, macho type who had once been a local high-school hero, is back in town after a hitch in Vietnam and trying to reestablish his position in the community. Joined by his younger brother, Ray (who worships him), Roy sets about consuming a case of beer while regaling Ray with tales of his military and amorous exploits. Apparently Roy cherishes three things above all; his country, his sexy young wife, and his 1959 pink Thunderbird. With the arrival of Cletis, the fatuous, newlywed son of the local hardware store owner, the underpinnings of Roy's world begin to collapse as it gradually comes out that Ray had slept with his brother's wife during his absence and, horror of horrors, has just demolished his cherished Thunderbird. But, despite all, the high good humor of the play never lapses, and all ends as breezily and happily as it began.

The play explores her fight to retain her independence and the subsequent effect of her decline on her family, especially her grandson. The Creative Turn Anne M. Harris 2014-04-16 The conundrum of understanding, practising and teaching contemporary creativity is that it wants to be all things to all people. Almost all modern lists of creativity, creative thinking and how-to 'becoming creative' books begin with one premise: the creative individual/artist is not special, rather each of us is creative in a special way and these skills can - and must - be nurtured. Increasingly, industry and education leaders are claiming that creativity is the core skill to take us into a prosperous future, signalling the democratisation of creativity as industry. Yet centuries of association between aesthetics, mastery and creativity are hard to dismantle. These days, it is increasingly difficult to discuss creativity without reference to business, industry and innovation. Why do we love to think of creativity in this way and no longer as that rare visitation of the muse or the elite gift of the few? This book looks at the possibility that creativity is taking a turn, what that turn might be, and how it relates to industry, education and, ultimately, cultural role of creativity and aesthetics for the 21st century. In proliferating discourses of the commodification of creativity, there is one thing all the experts agree on: creativity is undefinable, possibly unteachable, largely unassessable, and becoming the most valuable commodity in 21st-century markets.

World's Worst Westerns Plus Some of the Best Your Guide to the Best of the Worst John Howard Reid 2015-09-16 Once by far Hollywood's largest category of popular movies, Westerns are now out of fashion with the movie-going public, but they still hold a commanding presence on DVD. Until recently, Westerns were one of the most popular DVD categories, third only to action and science fiction. Many, many titles from the 1930s and 1940s were made by small, independent companies that no longer exist. A huge number of westerns are therefore in the public domain and are now available on DVD from outlets like Alpha and Grapevine. In fact, there are currently so many titles on DVD, that guides like "World's Worst Westerns" are not a luxury or an addenda, but an absolute necessity for collectors who wish to spend their money wisely by buying titles they will enjoy! In fact, for western fans like myself, a book like "World's Worst Westerns" is not just a novelty, but an absolute necessity!
