**I'm Glad My Mom Died** Jennette McCurdy 2022-08-09 #1 NEW YORK TIMES BESTSELLER #1 INTERNATIONAL BESTSELLER A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

**The Ghost and the Graveyard** Genevieve Jack 2012-09 Left destitute by her unscrupulous ex-boyfriend, Grateful Knight accepts her father's offer of a rent-free house despite the fact that a graveyard touches the home's back door. But the gorgeous cemetery caretaker, Rick, is set on making her feel at home, and she can't keep her hands off him. And then a sexy ghost with a dark secret enters the home. Can she solve the mystery of the ghost and decide whether to give her love to Rick or to the ghost?

**Ghost Story** Jim Butcher 2011-07-26 Chicago wizard Harry Dresden gets a taste of the dead life in this novel in the #1 New York Times bestseller series. In his life, Harry's been shot, stabbed, sliced, beaten, burned, crushed, and tortured. And after someone puts a bullet through his chest, he leaves him to die in the waters of Lake Michigan, things really start going downhill. Trapped between life and death, he learns that his friends are in serious trouble. Only by finding his murderer can he save his friends and move on—a feat which would be a lot easier if he had a body and access to his powers. Worse still are the malevolent shadows that roam Chicago, controlled by a dark entity that wants Harry to suffer even in death. The late Harry Dresden will have to pull off the ultimate trick without using any magic—or face an eternity as just another lost soul...

**The Ghost Files** April Baker 2016-12-19 Sleep, little children, all safe in your beds. But when the boogeyman knocks, if you are up watching TV, he'll make sure that you wish you were dead! Once every one hundred and fifty years he emerges from the darkest depths to feed. With each feast, he grows stronger. There is but one gift he needs in order to gain the power he seeks. One gift that will allow him to walk amongst the precious little children. And it's the one gift Mattie Hathaway possesses...the ability to bring images to life with just a drop of her blood. The late Silas has warned her to never reveal this ability, not even to her father who shares her power to communicate with the dead. She's heeded his warning, but hiding it may no longer be an option. Children are disappearing all over the Charlotte area. When their bodies are recovered, they're always the same—broken, beaten, and bruised. Fear is spiraling out of control in the Queen City as parents glance nervously around each corner, seeing the boogeyman in every shadow. When one little girl goes missing in Mattie's neighborhood, it's up to her and Officer Dan Richards to find the truth. In doing so, she uncovers a far greater evil than she's ever come up against. The one thing she was bred to defeat. Deleriel. A fallen angel...one of the first demons. He is powerful, ambitious, and now that Mattie is on his radar, she's all he needs to complete his arsenal. As a whirlwind of secrets coming to light, Mattie is faced with uncovering the truth about her own heritage. She must come to grips with it before it can begin to prepare for the battle of a lifetime...a battle she never asked for but is caught in the middle of. Can she face her own truths before it's too late?

**Six Crimson Cranes** Elizabeth Lim 2021-07-06 NEW YORK TIMES BESTSELLER • A princess in exile, a shapeshifting dragon, six enchanted cranes, and an unspeakable curse... Drawing from fairy tales and East Asian folklore, this original fantasy from the author of *Spin the Dawn* is perfect for fans of *Shadow and Bone*. "A dazzling fairytale full of breathtaking storytelling." --Stephanie Garber, New York Times bestselling author of *Caraval* Shiori'anma, the only princess of Kiata, has a secret. Forbidden magic runs through her veins. Normally she conceals it well, but on the morning of her betrothal ceremony, Shiori loses control. At first, her mistake seems like a stroke of luck, forestalling the wedding she wanted. But it also catches the attention of Raikama, her stepmother. A sorceress in her own right, Raikama banishes the young princess, turning her brothers into cranes. She warns Shiori that she must speak of it to no one: for with every word that escapes her lips, one of her brothers turns Penniless, voiceless, and alone, Shiori searches for her brothers, and uncovers a dark conspiracy to seize the throne. Only Shiori can set the kingdom to rights, but to do so she must place her trust in a paper bird, a mercurial dragon, and the very boy she fought so hard not to marry. She must embrace the magic she's been taught all her life to forswear--no matter what the cost. Weaving together elements of *The Wild Swans*, *Cinderella*, the legend of Chang E, and the Tale of the Bamboo Cutter, Elizabeth Lim has crafted a fantasy like no other, and one that will stay with readers long after they've turned the last page. "A stunning remake of a fairytale. Six Crimson Cranes is the perfect blend of whimsy and ferociousness, with twists and turns that will tug at your heartstrings." —Chloe Gong, New York Times bestselling author of *These Violent Delights* "Fast-paced excitement is balanced with a satisfyingly intricate plot that weaves in elements from Western fairy tales and East Asian folklore." —SLJ, starred review "A richly imagined landscape . . . vibrant, fast-paced." —Publishers Weekly, starred review

**Ghost Work** Mary L. Gray 2019 "A startling exposé of the invisible human workforce that powers the web--and how to bring it out of the shadows."

Hidden beneath the surface of the internet, a new, stark reality is looming--one that cuts to the very heart of our endless debates about the AI. Anthropologist Mary L. Gray and computer scientist Siddharth Suri unveil how the services we use from companies like Amazon, Google, Microsoft, and Uber can only function smoothly thanks to the judgment and experience of a vast human labor force that is kept deliberately concealed. The people who do 'ghost work' make the internet seem smart. They perform high-tech, on-demand piecemeal work: flagging X-rated content, proofreading, transcribing audio, confirming identities, captioning video, and much more. The shameful truth is that no labor laws protect them or even acknowledge their existence. They often earn less than legal minimums for traditional work, they have no health benefits, and they can be fired at any time for any reason, or for no reason at all. An estimated 8 percent of Americans have worked in this 'ghost economy,' and that number is growing every day. In this unprecedented investigation, Gray and Suri make the case that robots will never completely eliminate 'ghost work' and the unchecked quest for artificial intelligence could spark catastrophic work conditions if not stopped in its tracks. Ultimately, the book shows how this essential type of work can create opportunity--rather than misery--for those who do it."--Dust jacket.

**The Canterville Ghost** By Oscar Wilde Oscar Wilde 2021-01-01 This is Oscar Wilde's tale of the American family moved into a British mansion, Canterville Chase, much to the annoyance of its tired ghost. The family -- which refuses to believe in him -- is in Wilde's way a commentary on British nobility of the day -- and on the Americans, too. The tale, like many of Wilde's, is rich with allusion, but ends as sentimental romance.

**Monsters of the Week** Zack Handlen 2018-10-16 The complete critical companion to The X-Files, covering every episode and both films and featuring interviews with screenwriters and stars. Welcome to Kersville, a town with a spooky history and a collection of ghosts and spirits who are major mischief-makers. Kids spend their days without ever seeing or dealing with a ghost, but some kids get stuck with a haunt. When that happens, they call Desmond's Ghost Patrol. Desmond is the hall monitor of ghosts and monsters. There's no job too spooky, icky, or risky for Desmond. I'm not like that at all. My name's Andres Miedoso. I'm Desmond's best friend. We do everything together...including catch ghosts. Seems cool, right? There's only one problem: I'm afraid of everything. With easy-to-read language and illustrations on almost every page, the *Desmond Cole Ghost Patrol* chapter books are perfect for emerging readers.

**The Ghost Files** Apryl Baker 2013-08-13 Cherry blossom lipstick: check Smokey eyes: check Skinny jeans: check Dead kid in the mirror: check For sixteen year old Mattie Hathaway, this is her normal everyday routine. She's been able to see ghosts since her mother tried to murder her when she was five years old. No way does she want anyone to know she can talk to spooks. Being a foster kid is hard enough without being labeled a ghost. Normally, she just ignores the ghosts and they go away. That is until she sees the ghost of her foster sister... Sally. Everyone thinks Sally is another runaway, but Mattie knows the truth-she's dead. Murdered. Mattie feels like she has to help Sally, but she can't do it alone. Against all better judgment, she teams up with a young policeman, Officer Dan, and together they set out to discover the real truth behind Sally's disappearance. Only to find out she's dealing with a much bigger problem, a serial killer, and she may be the next victim... Will Mattie be able to find out the truth before the killer finds her?

**Ghost Morten** ReGina Welling 2019-04-26 My name is Everly Dupree and when my marriage fell apart, I did what every normal, red-blooded woman does... I moved back to my hometown and bought a haunted house for the back taxes. Okay, I realize I might have been a bit hasty, but it seemed like a good idea at the time. Then again, so did staying at the Bide A Way Motel until a dead body turned up in the next room. All I wanted was to come home, find a job and start a new life. I didn't plan on getting tied up in the afterlife. Or of solving a murder, but here's what I did. You might not believe in ghosts, but sometimes they believe in you.

**The Girl and the Ghost** Hanna Alkaf 2020-08-04 \* Chosen as a 2020 Kirkus Prize Finalist for Young Readers' Literature! \* A Malaysian folk tale comes to life in this emotionally layered, chilling middle grade debut, perfect for fans of *The Book of Boy* and *The Jumbies*. **The Girl with Ghost Eyes** M. H. Boroson 2020-09-17 It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground.

**Ghost Hand** Ripley Patton 2012-11-28 Seventeen-year-old Olivia Black has a rare birth defect known as *Psyche Sans Soma*, or PSS. Instead of a right hand made of flesh and blood, she was born with a hand made of ethereal energy. How does Olivia handle being the girl with the ghost hand? Well, she's a little bit morbid and a whole lot snarky. Her mother thinks her obsession with death, black clothing, and the local cemetery is a little out of attention. But when Marcus, the new guy in Olivia's calculus class, stares at her like she's a freak, Olivia doesn't like it. And when her hand goes rogue, doing things she never imagined possible, Olivia finds herself running for her life with Marcus from a group of men bent on taking the power of her hand for their own nefarious purposes. **Ghosts from the Nursery** Robin Karr-Morse 2007-12-01 This new, revised edition incorporates significant advances in neurobiological research over the past decade, and includes a new introduction by Dr. Vincent J. Felitti, a leading researcher in the field. When *Ghosts from the Nursery: The Roots of Violence* was published in 1997, it was lauded for providing scientific evidence that violence can originate in the womb and become entrenched in a child's brain by preschool. The authors' groundbreaking conclusions became even more relevant following the wave of school shootings across the nation including the tragedy at Columbine High School and the shocking subsequent shootings culminating most recently in the massacre at Sandy Hook Elementary School in Newtown, Connecticut. Following each of these media coverage and public debate turned again to the usual suspects concerning the causes of violence: widespread availability of guns and lack of mental health services for late-stage treatment. Discussion of the impact of trauma on human life—especially early in life during chemical and structural formation of the brain—is missing from the equation. Karr-Morse and Wiley continue to shift the conversation among parents and policy makers toward more fundamental preventative measures against violence.

**Artemis Fowl** Eoin Colfer 2010-06-03 Twelve-year-old villain, Artemis Fowl, is the most ingenious criminal mastermind in history. His bold and daring plan is to hold a leprechaun to ransom. But he's taking on more than he bargained for when he kidnaps Captain Holly Short of the LEPrecon (Lower Elements Police Reconnaissance Unit). For a start, leprechaun technology is more advanced than our own. Add to that the fact that Holly is a true heroine and that her senior officer Commander Root will stop at nothing to get her back and you've got the mother of all brewing!

**Chasing Spirits** Nick Groff 2012-10-02 Take a look behind the scenes of the Travel Channel's hit show *Ghost Adventures* with paranormal investigator Nick Groff as he shares his favorite explorations of the supernatural. From recording strange voices during his dusk-to-dawn lockdowns at "haunted" places to a face-to-face encounter with a spirit at Linda Vista Hospital in Los Angeles, Nick reveals an inside perspective on some of the most mind-blowing incidents caught on-camera, a closer look at some of the gadgets and gear used in the show, and the friendly competitive camaraderie between the *Ghost Adventures* crew—on the set and off. *Chasing Spirits* also invites you into Nick's haunted past, his childhood near-death experience, an energetic passion for life, and a love of movies fueled his imagination and curiosity about the afterlife that started him off on his paranormal path. That path combined his interests in a documentary on ghosts that would eventually launch the *Ghost Adventures* television series and phenomenon. Everything Nick has witnessed and done has convinced him of the reality of the hereafter and inspired him to improve his personal and professional relationships and to continue to learn what it means to be a human being on a spiritual journey.

**Robots in American Popular Culture** Steve Carper 2019-06-06 ? They are invincible warriors of steel, silky-skinned enticers, stealers of jobs and lovable goofball sidekicks. Legions of robots and androids star in the dream factories of Hollywood and leer on pulp magazine covers, instantly recognizable icons of American popular culture. For two centuries, we have been told tales of encounters with creatures stronger, faster and smarter than ourselves, making us wonder who would win in a battle between machine and human. This book examines society's introduction of robots and androids such as Robby and Rosie, Elektro and Sparko, Data, WALL-E, C-3PO and the Terminator, particularly before and after World War II when the power of technology exploded. Learn how robots evolved with the times and then eventually caught up with and surpassed them.

**The Book of Illumination** Mary Ann Winkowski 2009-10-06 The criminal underworld meets the spiritual otherworld in this thrilling debut collaboration between the inspiration for television's *The Ghost Whisperer* and an award-winning writer/director. Anza O'Malley is in most w

typical single mom. She lives a happy, busy life with her five-year-old son in Cambridge, Massachusetts, juggling the joys and challenges of being a doting parent and a freelance bookbinder. But there is more to Anza than meets the "ungifted" eye: she can see and speak with ghosts. Although she's been solving cold cases for the police for years, Anza has been hoping to focus her energies on her son and her bookbinding career. But when an exquisite and priceless illuminated manuscript is stolen from the Boston Athenaeum, and when its desecration spurs the appearance of some very unhappy spirits, Anza can neither look nor walk away. With an unlikely trio of ghosts by her side—a charming butler and two medieval monks—Anza leads us on an urgent journey through Boston's winding, cobble streets to uncover a trail of deceit, danger, and ghoulish intrigue.

The Ghost Files April Baker 2014-06-09 One, two, the ghosts are coming for you... Three, four, better salt your door... Five, six, death and hell mix... Seven, eight, help will come too late... Nine, ten, never reap again... Seventeen year old Mattie Hathaway has enough on her plate without having to deal with the latest teenage ghost drama. A Fate Unknown Sinclair Kelly 2020-07-11 I'd love to tell you how I got stuck in a house in the middle of Nowhereville, Illinois. Or how many years I've spent with no memory of the person I used to be. But I can't. Those details are locked down tight inside the chaos of my mind, and I don't have the key. The only thing I do know - I'm dead. Major bummer, right? I spend my days doing what I do best - scaring off anyone who steps foot on my house. Of course, ghost girls can't own houses, but that's beside the point. A girl's got a rep to maintain, and after a close call a while back, I had to step up my game. This ghost girl doesn't want to be exorcised anytime soon. Just when my unlife is getting increasingly dull, a team of paranormal researchers shows up to investigate the cause of all the unusual activity. Now I don't know whether I should bust out my normal tricks or take a chance on making my presence known in other, potentially naughty, ways. Don't judge. Ghost girls have needs too, ya know, and mine have gone unmet for way too long. Cole, Knox, Macklin, Thad & Levi might have just gotten more than they bargained for - namely, me. This feels like so much more than insta-lust. With every encounter, this sense of familiarity just won't leave me the hell alone. Who are they? Am I? In the end, maybe I'll finally know the truth, and the guys might just get something they didn't even know they were missing. A Fate Unknown is book one in a medium-burn, why choose trilogy. The FMC will have a HEA with all of her guys by book three.
