The Book of Luelen Luelen Bernart 1977 Luelen Bernart, who died about the end of World War II, was a member of a prominent Ponapean family in the southeastern part of the island. As a youth he attended the Protestant mission school at Ohwa (Oa) and the style of the bible permeates his own writing. Locally he was renowned for the wealth of his traditional knowledge, which he recorded, apparently for his family... The book of Luelen appears to have been by far the fullest such manuscript completed by any Ponapean up to the time of Luelen's death: the author himself seems to have seen it as a comprehensive account of Ponape from its creation to the time of first European contact. Myths and legends side by side with history and botanical lore thus create a rich source of information on Ponape and how it was seen by Ponapeans...--Book jacket.

Go Set a Watchman Harper Lee 2015-07-14 #1 New York Times Bestseller "Go Set a Watchman is such an important book, perhaps the most important novel on race to come out of the white South in decades." — *New York Times* A landmark novel by Harper Lee, set two decades after her beloved Pulitzer Prize-winning masterpiece, *To Kill a Mockingbird*. Twenty-six-year-old Jean Louise Finch—"Scout"—returns home to Maycomb, Alabama from New York City to visit her aging father, Atticus. Set against the backdrop of the civil rights tensions and political turmoil that were transforming the South, Jean Louise's homecoming turns bittersweet when she learns disturbing truths about her close-knit family, the town, and the people dearest to her. Memories from her childhood flood back, and her values and assumptions are thrown into doubt. Featuring many of the iconic characters from *To Kill a Mockingbird*, *Go Set a Watchman* perfectly captures a young woman, and a world, in painful yet necessary transition out of the illusions of the past—a journey that can only be guided by one's own conscience. Written in the mid-1950s, *Go Set a Watchman* imparts a fuller, richer understanding and appreciation of the late Harper Lee. Here is an unforgettable novel of wisdom, humanity, passion, humor, and effortless precision—a profoundly affecting work of art that is both wonderfully evocative of another era and relevant to our own times. It not only confirms the enduring brilliance of *To Kill a Mockingbird*, but also serves as its essential companion, adding depth, context, and new meaning to an American classic.

A Very Noisy Christmas Tim Thornborough 2018-10 Some think that Christmas was a "Silent Night." Far from it. It was filled with shouting, singing and screaming! It was as noisy as any of our Christmas celebrations. This fun and fresh retelling of the Christmas story comes with sound effects so that children can join in as parents read to them. But it

also shows children that at the heart of the Christmas story is something we should all be quiet and see: God's son Jesus was born, so that we can be friends with God forever. Now that's something worth shouting about! A wonderful Christmas gift for children aged 3-6 years old.

All the Colors of Christmas Matthew Paul Turner 2020-09-08 The bestselling author of *When God Made You* and *When I Pray for You* captures the wonder of Christmas and the joy of Jesus' birth in a lyrical exploration of what makes the season so colorful, magical, and personal. In his trademark style, Matthew Paul Turner celebrates the Christmas season, particularly the colors that infuse the holiday and all the memorable sensations and experiences—including a festive market, sledding, and nativity scene—connected to those bright hues. Matthew draws his readers into a whirling ribbon of the familiar reds and greens of Christmas, as well as other festive hues, including white, gold, blue, and brown. Christmas is RED. It's a bright shiny sled. It's candy canes, and toy store lanes. It's sprinkles on sweet bread. Christmas is BROWN. It's pinecones scattered round... It's a cradle soft with hay. And a donkey's gentle bray. It's God within a baby's skin on that very first Christmas Day. All the colors come together when readers are reminded that Christmas is YOU—you're a part of the story, the joy and the glory! Matthew shows us again and again that the holidays are nothing without being with the people we love, celebrating treasured traditions, and making new memories—all in vivid color.

The Passport Herta Muller 2015-12-03 From the winner of the Nobel Prize for Literature 2009 'Just as the father in the house in which we live is our father, so Comrade Nicolae Ceausescu is the father of our country. All the children love comrade Nicolae and comrade Elena, because they are their parents.' *The Passport* is a beautiful, haunting novel whose subject is a German village in Romania caught between the stifling hopelessness of Ceausescu's dictatorship and the glittering temptations of the West. Barkskins Annie Proulx 2016-11-01 "Magnificent." (Anthony Doerr, author of All the Light We Cannot See) From Annie Proulx, the Pulitzer Prize- and National Book Award-winning author of The Shipping News and "Brokeback Mountain" comes her masterwork: an epic, dazzling, violent, marvelously dramatic novel about the destruction of the world's forests. In the late seventeenth century, two penniless young Frenchmen, René Sel and Charles Duquet, arrive in Canada, then known as New France. Bound to a feudal lord, a seigneur, for three years in exchange for land, they become woodcutters—barkskins. Sel suffers extraordinary hardship, oppressed by the forest he is charged with clearing. He is forced to marry a Mi'kmaw woman, and their descendants live trapped between two hostile cultures. Duquet, crafty and ruthless, runs away from the seigneur, becomes a fur trader, then sets up a timber business. Proulx tells the stories of the descendants of Sel and Duquet over three hundred years—their travels across North America, to Europe, China and New Zealand under stunningly brutal conditions—the revenge of rivals, accidents, pestilence and cultural annihilation. Again and again, they seize what they can of a presumed infinite resource, leaving the modern-day characters face-to-face with possible ecological collapse. Proulx's inimitable genius is her creation of characters who are so vivid—in their greed, lust, vengefulness or their compassion and hope—that we follow them with fierce attention. Annie Proulx is one of the most formidable and compelling American writers, and Barkskins is her greatest novel, a superb marriage of history and imagination.

Christmas: Its Origin and Associations (Illustrated Edition) William Francis Dawson 2018-11-28 "In looking at the celebrations of Christmas, at different periods and in different places, I have observed that, whatever views men hold respecting Christ, they all agree that His Advent is to be hailed with joy, and the nearer the forms of festivity have approximated to the teaching of Him who is celebrated the more real has been the joy of those who have taken part in the celebrations. My aim is neither critical nor apologetic, but historical and pictorial: it is not to say what might or ought to have been, but to set forth from extant records what has actually taken place: to give an account of the origin and hallowed associations of Christmas, and to depict, by pen and pencil, the important historical events and interesting festivities of Christmastide. With materials collected from different parts of the world, and from writings both ancient and modern, I have endeavored to give in the present work a chronological account of the celebrations and observances of Christmas. "

Ole, the Tower-Keeper Hans Christian Andersen 2021-04-20 My friend Ole was an intelligent curious man with a great deal of knowledge. He had never obtained what he wanted from Men so he retired and lived as a hermit, alone at the top of a church tower. I will tell you about some of the visits I made to him and try to recall his words as best I can. Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most

cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.
